ABOUT ME

I am a seasoned professional in development economics, planning, and leadership, hold a Master's degree with over two decades of experience. As Advisor and Office Head of the President at Gambella University, I showcased organizational ability, coordinating faculties, overseeing administration, and contributing to key manuals. In roles like Road Study and Design Coordinator at Gambella Rural Road Authority, and Senior Planning Officer at Gambella People's National Regional State Finance, I demonstrated expertise in project coordination, budget management, and statistical software application. my commitment to education as a former President highlights his advocacy and contributions. I have strong communication skills, technical proficiency, and unwavering dedication, which enriches any organization seeking excellence.
